## **AGRITHON - FOOD SYSTEMS N100,000,000 GRANT FUNDING**

Lagos Agrithon is an agricultural hackathon designed to provide a dynamic platform for startups to pitch their groundbreaking solutions aimed at revolutionizing the agricultural sector. Participants will have the opportunity to access funding, connect with potential investors, and receive mentorship from industry leaders.

With a focus on enhancing productivity, sustainability, and overall efficiency across the agricultural value chain, Lagos Agrithon is a catalyst for innovation, helping to shape the future of agriculture in Nigeria. It offers startups enhanced visibility and the chance to contribute to a thriving and resilient agricultural ecosystem.

You can submit your application by visiting our website at [www.agrinnovationsummit.com/pitch/](http://www.agrinnovationsummit.com/pitch/) and following the application guidelines provided.
